The above respirator fit test was performed on and by the persons listed. The results indicate the performance of the listed respiratory protection device, as fitted on the employee named on this record under controlled conditions. Fit testing as performed measures the ability of the respiratory protection device to provide protection to the individual tested. The Fit Test conducted with this respirator has no express or imply a guarantee that this or an identical respiratory protection device will provide adequate protection under conditions other than those present when this test was performed. Improper use, maintenance, or application of this or any other respiratory protection device will reduce or eliminate protection.
